Records, runs scored and runs allowed must be called into the league secretary twelve hours prior to the tournament meeting time. Failure to do so will result in a \$50.00 fine for the coach and must be paid prior to the team playing in the tournament.

If a team has not been able to complete all of their games prior to the tournament meeting, they will be given a ½ win and a ½ loss for each game not played, providing each team has made an honest effort to make up the game. An honest effort will be determined by the league officials. Both teams must contact a league official.

Scorebooks will be checked at the tournament meeting for player and team eligibility. If games are forfeited due to eligibility or incorrect scorebooks the record changed will cause them to lose the league medals, but for tournament seeding process, the original record before the forfeits will be used to seed the team for tournament play.

D2 Coaches List 2008

Please review the 2008 League Rules before your first game. If you are not given a copy from your Town Representative, you can access and download the League Rules at www.jjcgcs.com in the Handout section.

Important Scorebook Rule: League Rule #4

SCOREBOOKS MUST CONTAIN LAST NAMES ONLY unless two (2) girls have the same Last Name, then add First Initials (NO NICKNAMES). Failure to list players in the scorebook properly will result in player ineligibility. **Use of an ineligible player in a game will result in the forfeiture of that game.**

The Home Plate Umpire is now required to sign both the home and the away team scorebook. Altered scorebooks will result in lost game.
