Member Kansas Press Association

We understand that not all have access to the internet and wish to receive their paper in the mail. We offer print versions of the Newsleaf at several locations. Presently it is distributed regularly at the Exchange National Bank, Town & Country Center, The Old Feed Store, City of Effingham office and Jackson Farmers Coop in Effingham. If you are unable to drop by these supporters of the Newsleaf and wish to have your issue mailed, we offer subscriptions at the rate of \$30 per 50 issues.

Presently we are attempting an issue each week on Tuesdays. Sometimes this may vary according to the time constraints of running our other enterprises and personal time.

Let us know the information on the form below and mail to our address with a check for \$30 and you too can be a reader of the Newsleaf.

Also we encourage our readers to share news from your neighborhood, church or organization. Suggestions are also appreciated.

Sincerely Yours,

Stephen W. Caplinger
